

# Get Started Quickly with IoT Starter Kit - MWS. It's as simple as that!

1. One-time installation & activation of your IoT Starter Kit MWS.
2. Minew tags attached to the objects or personnel.
3. Real-time tracking & sensor data monitoring of your targeted objects.
4. Data sent to the cloud for processing and managing.

# Fully-Featured IoT Starter Kit - MWS delivers value in

Highly Recommended for Smart Warehouse. Due to increasing demand in logistics and growing concern about costs, productivity, safety, and managing complexity, it is difficult for businesses to operate and scale at a healthy rate without any IoT implementation.

Our ready-to-deploy starter kit can transform your business into a virtually monitored network wirelessly with little effort and limited budgets. It is the ultimate solution that can guarantee superior warehouse management leading to prosperous business growth.

## Inventory management

- Inventory check.
- Position tracking.
- Route optimization.

## Personnel management

- Safety and security.
- Locating and rescuing.

## Environmental monitoring

- Temperature & humidity reporting.
- Ideal for food storage.
- Ideal for cold rooms.

## Environmental monitoring

- Temperature & humidity reporting.
- Ideal for food storage.
- Ideal for cold rooms.

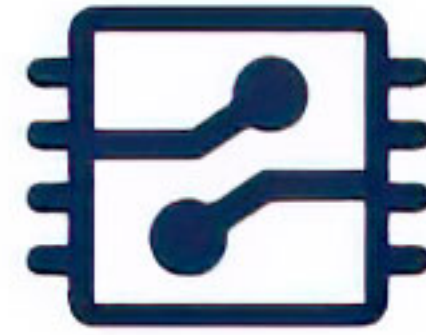

# MINEW PROVIDES

Free Beacon Configuring  
APP in Google Play & APP  
Store(BeaconSET+)

Firmware, APP, Cloud  
SDK is available

Pre-configure UUID,  
Major, Minor and etc  
before the shipment

Software, Hardware, Mold,  
Package can be custom-  
ized

Global Service and  
Technical Support

Model	Quantity	Type	Broadcast Range	Lifetime	Features
G1-E	1	IoT Gateway	300 m	/	Up to 300 broadcast packets / s; HTTP/MQTT/TCP protocol supported; Multiple IoT cloud platforms supported.
S1	1	Temperature Humidity Sensor	100 m	3 years	Temperature range -40℃ ~ 85℃ High-precision T & H monitoring; Local storage and real-time upload.
C10	2	Card Beacon	100 m	2 years	SOS button; RFID (NFC) option; Personnel positioning.
E8S	1	Asset Tag	60 m	200 days	Compact design; Battery replaceable; Accelerometer included.
MBS01	1	Asset Tag	100 m	More than 3 Years	Pallet tracking; IK08 shockproof.
P1 Plus	1	Asset Tag	70 m	More than 3 Years	IK09 shockproof; IP68 waterproof & dustproof; Operating temperature -40℃ ~85℃; Temp. and ACC sensor included.
MBT01	1	Asset Tag	150 m	2 years	Tamper alarm; Lightweight and portable.

# IoT Starter Kit – MWS

Highly recommended for smart warehouse. Minew IoT Starter Kit MWS is aimed at providing you with a cost-effective and reliable solution for warehouses and cold storage, including everything you need for asset management, cargo tracking, warehouse personnel positioning, and environmental sensing and monitoring.
